ZEINAB BAGHDADI

Damascus, Syria • (+963) 967-145-903 • zynap.zeinab@gmail.com

PROFESSIONAL SUMMARY

Results-driven Data Scientist with 1-2 years of hands-on experience in machine learning, deep learning, and AI development. Degree holder in Artificial Intelligence and Data Science with proven expertise in Python, SQL, TensorFlow, and Power BI. Demonstrated ability to build predictive models that improve forecast accuracy and deliver business value. Excellent communicator with strong client relations skills, quick learner, and creative problem-solver. Currently teaching AI/ML courses at SPU while actively seeking freelance and contract opportunities to deliver impactful analytics solutions.

PROFESSIONAL EXPERIENCE

Practical Lecturer • Syrian Private University (SPU)

2025 – Present | Damascus, Syria

- Lead practical instruction in AI/ML and Data Science courses with hands-on project-based learning
- Supervised and mentored 5+ student capstone and research projects from ideation through deployment
- Provided technical guidance in machine learning, deep learning, neural networks, and AI agent development
- Designed and delivered practical labs bridging theoretical concepts with real-world applications

Coding Instructor • BrightChamps

2022 – 2025 | India&USA (Remote)

- Recruited and onboarded 100+ students to the platform, significantly exceeding enrollment targets
- Delivered consistent coding instruction (5 hours/day, 6 days/week) to diverse English-speaking students across multiple time zones
- Taught 100% non-native Arabic-speaking students with tailored instructional approaches, achieving high engagement and retention
- Managed demanding schedule while maintaining superior instruction quality and student satisfaction ratings

EDUCATION

Bachelor of Engineering in Artificial Intelligence and Data Science

Syrian Private University (SPU) • Graduation: 2025

SKILLS

Technical: Python, SQL, C++, Machine Learning, Deep Learning, TensorFlow, Keras, scikit-learn, pandas, numpy, AI Agent Development, Neural Networks, Model Training, Power BI, Tableau, Google Analytics, AWS (EC2, S3), Jupyter Notebook, Git/GitHub, Anaconda

Professional: Project Management, Team Leadership, Strategic Planning, Data Analysis, Client Relations, Student Mentoring, Technical Communication, Problem-Solving, Agile Methodologies, Stakeholder Management

Languages: Arabic (Native), English (Fluent)

CERTIFICATIONS

- Google Analytics Certified | 2023
- WRO (World Robot Olympiad) Volunteer Coordinator – National Competition (All Syria) | 2025
- WRO Volunteer – Damascus Local Competition | 2025
