C.v

Name: Talal Al-Nahlawi
Gender: Male. Nationality: Syrian
Date of Birth: 17\4\1977
Marital status: Married (4 children)
Address: Damascus-Syria
Tell: HomeI: 00963114417128
Clinic: 00963113346259 Mobil: 00963933593959.
00971527798218
E-mail: talal.alnahlawi@gmail.com

Qualifications:

2009: Ph.D in Operative dentistry, (Damascus University).
2004: MSc in Operative dentistry, (Damascus University).
2001: Post-Graduate Diploma specialty in Operative dentistry (restorative dentistry and Endodontics), (Damascus University).
1999: Bachelor in Dentistry, (Damascus University).

Subspecialty:

Restorative dentistry and endodontics.

Clinical experience:

- Practicing dentistry in my private clinic since 2001 almost limited to microscopic endodontics.
- **Expert in endodontic treatment under microscope especially the management of endodontic complications and broken instrument accidents.**
- Consultant for Endodontics at AlSham Dental Clinics, Dubai, United Arab Emirates **2016-2025.**
- Head of Endodontic department at Harmony Medical Group, United Arab Emirates **2018 till now.**

License:

- Ministry of Health (MOH), Syria, dentistry license. 2001 Valid till now
- Ministry of Health (MOH), UAE, dentistry license, grade: specialist A. 2013
- Dubai Health Authority DHA, dentistry license, Specialist Endodontist 2016 Valid till now
- Health Authority Abu Dhabi HAAD, dentistry license, Specialist Endodontist 2018 Valid till now

Residency:

UAE GOLDEN residency valid until end of 2031

Occupations:

2009- 2015: Head of Restorative dentistry and endodontics department, Syrian Private University.
2012-2017: Vice-Dean for scientific affairs, dental collage, Syrian Private University.

2012-till now: Board Director Member of Syrian Endodontic Society (Chairperson of Scientific committee)
2015- till now: Endodontic Program Director at MHG Dental continues education institute, Dubai
2016-till now: Advisory Board Member of the Dental Surgeons Association of India DSAI and Dental Students Welfare Association of India DSWAI
2016-till now: Esthetic dentistry Syrian board director member.
2019-till now: Member of the Endodontic council at BAIRD (British Academy for Implant and Restorative Dentistry).
2021-till now: Councilor Asian Pacific Endodontic Confederation for Syria.
2008-till now: Founding Member of Arab Endodontic Society PAN ARAB.

Teaching experience:

2000-2009: Instructor at Restorative dentistry and endodontics department, dental collage, Damascus University
2009-till now: Visiting lecturer at Restorative dentistry and endodontics department, dental collage, Damascus University.
2009-2016: Assistant professor at Restorative dentistry and endodontics department, dental collage, Syrian Private University.
2015- till now: Lecturer at National Dental Specialty Center for post graduate studies, Endodontic department and Esthetic dentistry department.
2016-till now: Associate Professor at Restorative dentistry and endodontics department, dental collage, Syrian Private University.
2019-till now: Associate Professor at Restorative dentistry and endodontics department, dental collage, Alsham Private University (part time lecturer).
2024-till now: Visiting Associate professor at TUMS Tehran University of Medical Sciences.
2025-till now: Professor at Restorative dentistry and Endodontics department, dental collage, Syrian Private University.

- Teaching restorative dentistry subjects for 3rd, 4th, 5th years Damascus University, Syrian Private University, and Alsham Private University.
- Teaching Endodontics 2 and 3 for 4th year Students at Syrian Private University.
- Teaching fundamentals of color selection in dentistry for Master students at Damascus University.
- Teaching Endodontics and restorative dentistry for Post-graduate students at Damascus University and National Syrian Board center for dentistry Specialties.
- Teaching Microsurgical endodontics for Post graduate students at TUMS.
- Teaching Endodontics for 4th year students at Syrian Private University.

Dental Meeting and hands on courses participation as a speaker

International and local speaker in many dental meetings in the field of restorative dentistry and endodontics:

- Minimally Invasive Endodontics; full scientific day delivered for Tartus dentists syndicate (130 participants), 16 February 2026 Tartus educational center, **Tartus, Syria.**
- Management of Complexity course; Missed, Curved, and Calcified canals management, (30 participants). 21 January 2026, Dubai world Trade center, **Dubai UAE.**
- Minimally Invasive Endodontics; Less Removal for Longer Service. full scientific day, 16 January 2026, Lebanese University, **Bierut, Lebanon**.
- Open Apex Management in Endodontics course; (30 participants), 25 December 2025, Darra Dentists Syndicate, **Darra, Syria**.
- How To Make Root Canal Retreatment An Easy Procedure Course; (25 Participants)12 December 2025, ReEndo Meeting **Cluj Napoca, Romania**.
- BROKEN FILE REMOVAL…. How to make it an easy practice conference presentation, 12 December 2025, ReEndo Meeting **Cluj Napoca, Romania**.
- Advanced endodontic course (retreatment and management of mishaps) (12 participants), 4-5 May 2025, 28 dental center, Basra company, **Basrah, Iraq**.
- Advanced endodontic course (retreatment and management of broken file) (22 participants), 2-3 May 2025, Rivan Dental Clinics, **Baghdad, Iraq**.
- Diagnosis in endodontics, full day lectures and live demonstration for 4th and 5th year dental students, 16 April 2025, Rasheed University, Damascus, Syria.
- Management of complex cases in endodontics, Orodeka launching event, evening presentation and live demo, 150 attendees, 11 April 2025, Radisson Blue Waterfront Dubai, UAE.
- 3 days of advanced endodontic intensive course; Retreatment, broken file, and Microsurgery, (18 participants), 20-22 February 2025, Algeria, Algeria.
- Management of Complexity in root canal treatment (Curved, Calcified, and Missed canals management) course, (26 participants) AEEDC 2025 Dubai UAE.
- Importance of final restoration in endodontic treatment presentation and live demo, Syrian society for oral research scientific day, 23 January 2025 Damascus Syria.
- Basic instrumentation and obturation endodontic course, Tamim dental courses, 2-3 January 2025. Doha Qatar
- Management of complex cases in endodontics, Orodeka launching event, evening presentation and live demo, 125 attendees, 1 May 2025, Doha, Qatar.
- Microsurgical Endodontics course, MHG 8th fellowship, 3rd module, (11 participants), 6-7 December 2024, Dubai, UAE.
- Surgical or none-surgical endodontics when and how to choose, Domineco Riccuci event in Dubai, 29-30 November 2024, Dubai, UAE.
- What else Bioceramic sealer could do, META biomed annual event, 24-25 November 2024, Ho Chi Minh, Vietnam.
- Endo Vs Implant Borderlines, Aleppo dentists syndicate annual meeting, 14-16 November 2024, Aleppo Syria.
- Root canal retreatment and broken file management course, MHG 8th fellowship, 2nd module, (11 participants), 25-26 October 2024, Dubai, UAE.

- Management of complexity course, lecturing in cooperation with Dr Mohammad Salah (Egypt), 8th Pan Arab Endodontic conference courses, 4th of October 2024, Amman Jordan
- How to bypass broken file predictably, 8th Pan Arab Endodontic conference, 2-4 October 2024 Amman Jordan.
- Broken file removal course; One target with different techniques, Jordanian dentists syndicate training center, 30 September 2024, Amman Jordan.
- Different protocols for root canal obturation materials removal, (3000 attendees) Syrian Dentists syndicates conference, 26-28 September 2024 Damascus Syria
- Basic endodontics course, MHG 8th fellowship, 1st module, (11 participants), 6-7 September 2024, Dubai, UAE.
- Different protocols for root canal obturation materials removal, (500 attendees) IDEX conference 9th edition, 7-9 August 2024 Cairo Egypt.
- Management of complexity course, IDEX conference 9th edition, 7-9 August 2024 Cairo Egypt.
- Advanced endodontic course (broken file removal course) (26 participants), 9-11 March, 2023 Ashtar dental center, **Baghdad, Iraq.**
- Minimally invasive endodontics, full day presentations and workshop, Solo speaker Dental Expert Conference, **Bengaluru** (230 participants) 3rd March 2023, **New Delhi** (340 participants) 4th March 2023, and **Mumbai** (450 participants) 5th March 2023, **India**.
- Advanced endodontic course (Retreatment, perforation repair, and open apex management) AFM BAIRD academy, (18 participants), 24-25 February 2023, **Riyadh, KSA.**
- Advanced endodontic course (Retreatment, perforation repair, and open apex management) AFM BAIRD academy, (14 participants), 13-14, January 2023, **Jeddah, KSA.**
- Advanced endodontic course (Retreatment, perforation repair, and open apex management) AFM BAIRD academy, (16 participants), 17-18, December 2022, **Dubai, UAE.**
- Microsurgical Endodontics course, 3rd module, Secrets of Successful Endodontic Practice Fellowship, MHG academy, (13 participants), 9-10 December 2022, **Dubai, UAE.**
- Not Only a Root Canal Sealer, What Else BIOCERAMICS Could do, a presentation delivered at the 7TH PAN ARAB and 2nd United Arab Emirates Endodontic Conference, 18-20 November 2022 Mhd Bin Rashid University, **Dubai, UAE.**
- Retreatment and broken file management course, 2nd module, Secrets of Successful Endodontic Practice Fellowship, MHG academy, (13 participants), 21-22 October 2022, **Dubai, UAE.**
- Basic Endodontics tips and tricks course, (23 participants), Dubai Emirates Health Services, 20th October 2022, Kuwait hospital, **Dubai, UAE**.
- Surgical or non-surgical endodontics, two options and one target, a presentation delivered at the 20th international congress of Iranian association of endodontics, 27-30 September, 2022, **Tehran, Iran**.

- Basic Endodontics tips and tricks course, (43 participants), the 20th international congress of Iranian association of endodontics, 27-30 September, 2022, **Tehran, Iran**.
- Fiber post removal course, (37 participants), the 20th international congress of Iranian association of endodontics, 27-30 September, 2022, **Tehran, Iran**.
- Broken file management course, Endo Masterclass International (28 participants), 19 September 2022, **Athens, Greece**.
- Surgical or none surgical Endodontics… when to choose what, a presentation delivered at the 20th European Society of Endodontology ESE Biennial congress, 8 September, 2022, **Budapest, Hungary**.
- Endodontic Considerations in Fiber post cementation. Presentation at the 20th European Society of Endodontology ESE Biennial congress, 10 September, 2022, **Budapest, Hungary**.
- Basic endodontics instrumentation and obturation course, 1st module, Secrets of Successful Endodontic Practice Fellowship, MHG academy, (13 participants), 2-3 September 2022, **Dubai, UAE.**
- How to bypass a broken file predictably. A presentation delivered at the 1st Mustanseria International Dental Conference. 27 of August 2022, **Baghdad, Iraq**.
- Apicoectomy is it the duty of Oral surgeon or Endodontist, a presentation delivered at the 2nd Hi Tech Dental conference. 26th of August 2022, Anbar. Iraq.
- Basic endodontics tips and tricks course, (25 participants), Hi Tech dental clinics, 25-26 August 2022, Anbar, Iraq.
- The multiple ultrasonic applications in endodontics, 19th Asian Pacific Endodontic Confederation congress 5-8 April 2017, **New Delhi, India.**
- Posterior composites complications, Syrian research society, March 2017, **Damascus Syria**.
- Root canal retreatment…. A last chance before endodontic microsurgery, Baghdad 4th endodontic conference, 24-25 February 2017, **Baghdad Iraq.**
- Basic endodontic course (preparation and obturation), Hamah Dentists Syndicate, 21-23 February 2017, **Hamah Syria.**
- Restoration of endodontically treated teeth 4th course in MHG endodontic fellowship, January 2017 **Dubai, UAE**.
- CBCT applications in Endodontics, X ray course, Syrian Private University. 2-3 December 2016, **Damascus, Syria.**
- Restoration of endodontically treated teeth, Syrian Dental Syndicate 18th conference, Operah Palace, 5-7 November 2016, **Damascus, Syria.**
- Shade selection Syrian Dental Syndicate 18th conference, Operah Palace, 5-7 November 2016, **Damascus, Syria.**
- CBCT application in Endodontics, Syrian Dental Syndicate 18th conference, Operah Palace, 5-7 November 2016, **Damascus, Syria.**
- New trends in Endodontics, Syrian Dental Syndicate 18th conference, Operah Palace 5-7 November 2016, **Damascus, Syria.**
- Perforation repair and Microsurgical endodontics 3rd course in MHG endodontic fellowship, October 2016 **Dubai, UAE**.

- EDSC Egyptian Dentists Syndicate Conference Cairo 31 August- 2 September 2016 Egypt.
- Retreatment and broken instrument 2nd course in MHG endodontic fellowship, August 2016 **Dubai, UAE.**
- Posterior composite restoration, Syrian research society, June 2016, **Damascus Syria.**
- Large periapical lesion healing potential by nonsurgical endodontics: A case series. 10TH International Federation of Endodontic Association IFEA 2016 Conference, Cape Town international Conference Center, 3-6 June 2016 **Cape Town, South Africa.**
- Basic endodontic 1st course in MHG endodontic fellowship, MAY 2016 **Dubai, UAE.**
- Clinical tips in Endodontics, 1st Kurdistan International Dental Exhibition And Conference, 12-13 May 2016, Saad Palace Conference Center, **Erbil, Iraq.**
- Saving teeth by endodontic treatment, 1st International Dental Online Congress IDOC, April 2016, **Egypt.**
- Treatment of curved canals and managements of ledges, 8th student wlfare association of India and 2nd Dental Surgeons association of India international meeting, 9-10 April 2016, KLE university, **Belgaum, India.**
- Teeth preservation by endodontic treatment. 3rd Iraqi Endodontic society international meeting, 19-20 February 2016, **Baghdad, Iraq.**
- Healing potential of large periapical lesions by non-surgical endodontics, 1st endodontic online congress, December 2015-January 2016, **Turkey.**
- Saving teeth by endodontic treatment. 1st MHG scientific meeting 28 October 2015, Shangrella Hotel, **Dubai, United Arab Emirates.**
- Microhardness of Dental Composite Polymerized With Two Light Curing Modes. Academy of Dental Materials Meeting Sao Paulo, (October 23-25, 2006), **Brazil.**
- Effect of Light Curing Techniques on Micro leakage of Dental Composite. IADR-82ND General Session (March 10-13, 2004), **Canada.**
- Hands on trainer for more than **2000** dentists worldwide in different regions. Subjects: rotary root canal preparations, and composite restorations and direct and indirect veneers.
- Previous Opinion leader, certified trainer for Dentsply Maillefer dental company. Switzerland
- Previous Opinion leader, certified trainer for Dentsply DeTrey dental company. Germany.
- Opinion leader for 3MESPE dental company. USA.
- Opinion leader for MicroMega dental company. France.
- Key Opinion Leader for Woodpecker dental company, China.
- Key Opinion Leader for Meta Biomed dental company, South Korea.
- Key Opinion Leader for Orodeka dental company, China.
